Todorovic d.o.o.
Feb. 2019 - Sept 2019
In my role as a CNC Operator, I've excelled in machine setup, programming, and maintenance. I've consistently ensured the precision and quality of components while collaborating seamlessly with my team.

About me

My expertise lies in crafting visually stunning and highly functional websites that not only meet but exceed user expectations. Experienced in HTML, CSS and JavaScript, I bring designs to life with a focus on responsive web design that ensures flawless performance on all devices.
As a dedicated team player, I thrive in collaborative environments, working closely with designers and fellow developers to turn visions into reality.
Let's create web experiences that leave a lasting impression.
